

Be Grateful Responsible Swift Focus on Mutual

Concord Freight System

About us

Concord Freight System (CFS), an integrated logistics company, was founded in 2009. CFS created specialty teams focus on handling specific product groups including Material Handling, Energy Production, Retail & Consumer goods, Foodstuff, Medical & Pharmaceutical, and Automotive. Our global offices in local marketplaces provide us with the ability to source the best supply chain service at the best prices, thereby making us one of the most competitive full-service providers in the pacific corridor.

Mission

Being dedicated to assist customers in acquiring and maintaining competitiveness in supply chain
